# **LAKE COUNTY MEDICAL RESERVE CORPS**

## **Providing health care professionals with the opportunity to contribute to the safety and well-being of Lake County**

### **What is the Lake County Medical Reserve Corps?**

- Medical Reserve Corps (MRC) units are comprised of volunteer medical professionals who are trained to assist with healthcare emergencies during natural and man made disasters.

### **Who can volunteer for the Medical Reserve Corps?**

- Practicing, retired or otherwise employed medical professionals, such as doctors, dentists, nurses, emergency medical technicians, pharmacists, nurses' assistants, military veterans, and others that live or work in Lake County.

### **What will I do during an emergency as a Medical Reserve Corps volunteer?**

- MRC volunteer duties will vary but may include:
  - Assist with medical needs in a Special Needs Shelter.
  - Assist with assessment and distribution of medication during a disaster or mass vaccination effort.
  - Assist with field work during or after a potential disaster.

### **Do I need to be insured to volunteer with the Lake County Medical Reserve Corps?**

- No, Medical Reserve Corps Volunteers will be working in conjunction with the Department of Health and are protected by sovereign immunity.
